and China White

get the look

- ◆ Keep your bridal bouquet simple and light with stark white phalaenopsis orchids.
 - ◆ Serve a vegan chocolate cake favor with customized wooden forks. It's delish, we promise.
- Cake by Lotus Cake Studio; forks by Paper+Cup Design.
- ◆ Shop for eco-inspired rings. On fork, from top: 18kt rose gold band by K. Brunini Jewels; 18kt yellow gold pavé band by Brilliant Earth; 18kt yellow gold band and 18kt rose gold and diamond band, both by K. Brunini Jewels; and 18kt recycled yellow gold hand-carved band by greenKarat.

- ◆ Choose scrap wood over paper. Laser-engraved wood veneer and letterpress invite set by Oslo Press.
- ◆ Thank guests with an all-natural favor made by local artisans. Varietal honey tasting vials by Bee Raw Honey.
- ◆ Set an eco-friendly table. Certified organic baby's breath and locally grown phalaenopsis orchids arranged in sustainable bamboo containers on a bed of locally grown dahlias. Paraffin-free beeswax pillar candles, Honeybee Natural, LLC; handmade glass bottles, ABC Home; small wood bowls made from sustainably forested acacia wood, Pacific Merchants Trading Co.; farm table and chairs, place settings, glassware, and napkins rented (and reused) from Party Rental Ltd.; raw silk scarves, Indigo Handloom.
